

## OPEN POSITION

An expert for external quality assessment for the GREENOVET project

GREENOVET (1.11.2020-31.10.2024) is an ERASMUS+ funded project strengthening sustainable green innovation and green skills in Europe. The project fosters the development of Vocational Education and Training (VET) Excellence in Green Innovation across Europe and through the establishment of Centres of Vocational Excellence (CoVEs) that will enable an innovative, inclusive and sustainable economy.

## THE ROLE OF EXTERNAL EXPERT

The project includes four regions in Europe (Leiria - PT, Skopje - MK, Styria - AT, Vaasa - FI). To ensure the high quality of the project and its deliverables, 3s as regional partner responsible for quality assurance is currently looking for an external (subcontracted) expert to externally evaluate the project activities and deliverables in Austria (Styria). The external expert has to submit a report every 6 months on the GREENOVET project, assessing the following topics: project management, relations within the consortium, achievement of performance indicators and tasks vs. the schedule and the quality of key deliverables based on quality criteria set. The external expert: participates in the meetings of the International Quality Assurance (IQA) board, reviews 7 interim Quality reports while proposing corrective actions, and provides conclusions in the final project report.

## ELIGIBILITY REQUIREMENTS AND CONTRACT

The external expert will be recruited based on the following criteria: ·

- A higher education diploma; ·
- Strong knowledge and experience in the field of education in cooperation with working life/or Green innovation; ·
- Experience in quality assessment and evaluation; ·
- An advanced level of English; ·
- Experience in the implementation and assessment of Erasmus+ and/or other EU projects will be appreciated.

The external expert will receive a fixed fee based on reporting. Additionally, the expenses for the participation in project meetings will be covered by the project (travel, subsistence cost and accommodation) on the basis of pre-defined guidelines.

If you want to become our external expert, please, send a cover letter explaining your motivation for the task, and your CV with a list of documents to prove how you fulfil the selection criteria required to [julia.fellinger@3s.co.at](mailto:julia.fellinger@3s.co.at) by 31<sup>st</sup> July 2022.
